

RAINBOW ALLIANCE

LGBT+ Network

Are you passionate about LGBT+ inclusivity within our Trust's services and local communities?

Are you a person who identifies as lesbian, gay, bisexual, fluid or trans? Or perhaps you're an 'ally' of the LGBT+ community?

The Rainbow Alliance is the official LGBT+ network of Leeds and York Partnership NHS Foundation Trust. The network is open to service users, carers and Trust staff and supports access to high quality mental health care for the LGBT+ community.

To find out more about how you can get involved, please contact **Kate Ward** or **Rhys Davies** by emailing rainbow.lypft@nhs.net

Let's take pride and start making a difference together!
